"A New Path for America"

By Congressman Allen Boyd (D-FL)

One of the bedrock principles of our democracy is open and accountable government. Our forefathers in

Our government works best when it is balanced, and the checks and balances system exists between the

Beyond undermining the constitutional system of checks and balances, abuse of power is a proven form

By embracing practices that obstruct oversight and accountability, the current Administration and Congress

No doubt our Founding Fathers would be disappointed to see how the government they created is becoming
